SWAHILI BEACH IS A FIVE STAR BEACH RESORT LOCATED ON DIANI BEACH, ALONG KENYA'S SOUTHERN COASTLINE.

A contemporary Swahili Experience...

Swahili Beach is where raw culture meets contemporary style; it's a Swahili experience in an architectural wonder that boasts a seven layer cascading pool, spacious & comfortable rooms all overlooking the vast Indian Ocean, service that, like the Swahili culture, is from the heart and dining experiences that bring out the true essence of culture and modern fusion.

We offer our guests a one-of-a-kind experience and we are the destination for the new generation of travellers who thrive on culture but do it in style.

Offering an air of sophistication unseen on the Kenyan coast, Swahili Beach has been designed with state-of-the-art technologies to ensure minimum ecological impact, while delivering unparalleled comfort to its guests.

In line with efforts to remain environmentally friendly, the lush tropical greenery, which is synonymous with the Kenyan coast, has been maintained and supplemented with exotic and indigenous trees, shrubs & tropical plants.
